

STEAM EXPERIENCE

4TH GRADE

TEKS & OBJECTIVES

TEKS	Objectives
Math 4.1(A)&(D)	I can communicate mathematical ideas in a real-world context.
Math 4.2(B)	I can represent a number using word form and expanded notation.
Math 4.2(F)	I can compare and order whole numbers from least to greatest.
Math 4.4(C)	I can determine the area of real-world polygons.
Science 4.1(B)	I can conduct a scientific investigation, including making observations, creating a hypothesis, and forming a conclusion.
Science 4.3(B)	I can creatively problem-solve with my peers.
ELA 4.12(A)	I can illustrate a personal narrative using a real-world experience.
Art 4.2(A)	I can create a composition of real-world events by drawing with pencil and paper.
